HANDICAP PARKING – Please note that handicap parking spaces are available for parking near the social hall entrance to the Church. If you are attending the 11:15 AM Mass, in order to avoid the traffic associated with religious education letting out, the following two options are recommended: EITHER come in the EXIT lane BEFORE 11 AM, OR come in the usual entrance way AFTER approximately 11:07 AM.

CHILDREN’S CHAPEL – For everyone’s information, especially for those who may be new to our parish, there is a so-called Children’s Chapel or Cry Room here in the Church. It’s located in the front left corner of the church, where a restroom is also located. As a parish family, we want children and families to be welcome here at Mass, and so it’s important to have an appropriate place in the church for babies and young children when they get fussy and need extra attention. We really want to encourage parents to use this space to tend to their children as needed. Please, feel free to just get up when need be from the body of the church, and utilize this space. Then you can better tend to your children without feeling like you’re being watched. And this will also allow the other parishioners to be able to more fully focus on worshiping.

AERO ENERGY PLAN – For each parishioner who is or becomes an Aero customer, IHM receives up to 3 cents per gallon of oil or propane. This is an excellent way to help your parish! If you are not already registered with Aero Energy for this program, please call Aero Energy at 888-480-1271 and sign up for the House of Worship Program. Any questions, please call Anita in the parish office.

RUTH’S HARVEST – the next Ruth’s Harvest packing is Wed., Aug. 30th at 10 AM at the Abbottstown Fire Hall. It only requires an hour (or less) of your time, so feel free to join us. We are collecting individual sizes of rice with chicken and vegetables (Chef Boyardee), beef stew (Dinty Moore), soup and fruit cups.

AERO ENERGY HOUSE OF WORSHIP PROGRAM – We would like to thank those parishioners who partner with Aero Energy for their oil/propane needs. Immaculate Heart of Mary receives 3 cents per gallon on all propane and oil throughout the heating season. This is a great opportunity for parishioners to give to your Church as well as savings for yourself. NEW this year is Aero Energy is offering $50 credit for any member of our Church who becomes a NEW customer to Aero Energy. They are also giving IHM $50 as well for any new customer. If you want to learn to knit or crochet, we can teach you. Skeins of new yarn are always welcome and there are bins at the church entrances for these donations.

FLOWERS – Looking for a way to memorialize a loved one or celebrate a special occasion? A beautiful way would be to order flowers on the altar. Most weekends are available from now through the end of the year. Please call Anita in the parish office to make arrangements.

CREMATION Since 1963, Catholics have been allowed to choose cremation over burial as a means of laying a loved one to rest. Cremation is a popular choice since it is less expensive and more manageable than a full burial. Cremation, like death, is final. But that doesn’t mean you won’t have second thoughts. Susan Skiles Luke, a marketing consultant in Columbia, Missouri, had her mother cremated and buried in a family plot. Now, she wishes it was her mother’s body and not just the cremated remains that was in the grave. “When I go there, which isn’t often, I want to feel like her body is under ground, right alongside my grandparents and beloved great aunt, all dressed up in their Sunday best…” Although creation is permitted, some Catholics have not been dealing properly with their loved ones remains.
Common practices include scattering ashes, parting ashes out to friends and relatives, and keeping the ashes in a common area, such as a living room. While scattering ashes may seem romantic to some (but is also contrary to Catholic teaching), there’s something to be said about keeping your loved one in once place, and then marking that place with a name. “We mark the graves of our loved ones with a headstone to memorialize them, so we don’t forget them”. When visiting that person’s grave, just seeing his or her name can give comfort.

To instruct the faithful in this regard, the Congregation for the Doctrine of the Faith has issued updated guidelines. According to these, burial is still preferred, but cremation is an option. When a loved one has been cremated, their ashes must be kept intact, the same as one would treat a body. The ashes may not be separated or scattered. Instead, they should remain in a proper vessel that is interred in a proper place, such as a cemetery or church. Finally, the document stresses that Catholics who choose cremation for reasons contrary to the faith, (e.g., to have their ashes scattered) must be denied a Christian funeral.

In the end, whether cremation or burial is chosen, we await from the grave the second coming of Jesus Christ and the blessed Resurrection of the Dead.
