**FROM THE PASTOR’S DESK**

**22nd Sunday in Ordinary Time**

1. There will be a special Mass in the church at 9am on Sept. 3rd to celebrate Labor Day.

2. Please note the new food pantry schedule (listed in this bulletin). Now you have TWO opportunities to assist each month – once here in Abbottstown, and once in East Berlin!

3. **Attention all teens** – 8th through 12th grades – please join us for Fusion’s opening night on September 8th from 6 to 8:30pm (see more information in today’s bulletin).

4. A special **appreciation breakfast** to thank our **altar servers** will be sponsored by the Knights of Columbus on Sept. 23rd from 9:30 to 10:30 in the social hall. All altar servers and their families are welcome. Please call the parish office for more information.

5. I came across the following **prayer** that I felt was especially appropriate in these difficult times for many of us and our Church: “Above all, trust in the slow work of God. We are quite naturally impatient in everything to reach the end without delay. We should like to skip the intermediate stages. We are impatient of being on the way to something unknown, something new. And yet it is the law of all progress that it is made by passing through some stages of instability— and that it may take a very long time. ... Give Our Lord the benefit of believing that his hand is leading you, and accept the anxiety of feeling yourself in suspense and incomplete.” – Teilhard de Chardin, SJ

God bless you and your week – Fr.Marcoe

Tips for talking to children about difficult subjects/news reports

The topic of sex abuse, particularly child sex abuse, is a daunting one for parents. Every parent must consider many factors including the best age-appropriate way to discuss the topic. Below are some points to consider adapted from the United States Conference of Catholic Bishops, the National Child Traumatic Stress Network, and First Things First.

1. Make sure you are composed before you talk with your child.
2. If you believe your child is aware of news concerning abuse in the diocese, start the conversation. Not talking about a difficult event can make the event even more threatening in your child’s mind.
3. Listen carefully to what your child is asking or talking about.
4. Clarify just what any concerns are before you answer. Sometimes we make assumptions and give far more information than what the child needs.
5. Keep your answers simple and brief. Don’t answer questions that have not been asked. Do not overload your child with information that is beyond his/her level of understanding.
6. Assure your child that you and other adults that are in charge are doing everything possible to make sure they will be safe. This will give them a sense that adults are actively taking steps to protect those who are currently suffering.
7. Don’t make guarantees that such a thing can never happen again. Words like “never” and “always” should be used very carefully because small children trust that this is a promise from you.
8. Explain that we do not know why people treat other people badly.
9. Try to limit your child’s exposure to media coverage. A child believes what he or she sees on television, or in the newspapers is always true.
10. Let your children know about successful community efforts. You may want to share positive media images, such as reports of individuals helping those in need.

DON’T GET SCAMMED! Scammers are now posing as priests and other clergy. In this latest scam, you might receive an e-mail that appears to be from your Pastor or another priest that you may know. The scammer would ask you to help someone in need by purchasing a gift card, and then providing the code to that card to the scammer who is posing as clergy.

Here’s how to protect from being scammed:
1. Know that scammers are out there. Be suspicious of any request for funds of any type via an e-mail message. Verify any request with a call to the person who supposedly sent it.
2. Know that any e-mail from a priest should be from a diocesan or parish e-mail account. Messages sent from free services, such Gmail or Yahoo, are more likely to be scammers.
3. Know that priests will NEVER ask for financial transactions via e-mail.

HANDICAP PARKING – Please note that handicap parking spaces are available for parking near the social hall entrance to the Church. If you are attending the 11:15 AM Mass, in order to avoid the traffic associated with religious education letting out, the following two options are recommended: EITHER come in the EXIT lane BEFORE 11 AM, OR come in the usual entrance way AFTER approximately 11:07 AM.

CHILDREN’S CHAPEL – For everyone’s information, especially for those who may be new to our parish, there is a so-called Children’s Chapel or Cry Room here in the Church. It’s located in the front left corner of the church, where a restroom is also located. As a parish family, we want children and families to be welcome here at Mass, and so it’s important to have an appropriate place in the church for babies and young children when they get fussy and need extra attention. We really want to encourage parents to use this space to tend to their children as needed. Please, feel free to just get up when need be from the body of the church, and utilize this space. Then you can better tend to your children without feeling like you’re being watched. And this will also allow the other parishioners to be able to more fully focus on worshiping.

AERO ENERGY PLAN – For each parishioner who is or becomes an Aero customer, IHM receives up to 3 cents per gallon of oil or propane. This is an excellent way to help your parish! If you are not already registered with Aero Energy for this program, please call Aero Energy at 888-480-1271 and sign up for the House of Worship Program. Any questions, please call Anita in the parish office.

RUTH’S HARVEST – the next Ruth’s Harvest packing is Wed., Aug. 30th at 10 AM at the Abbottstown Fire Hall. It only requires an hour (or less) of your time, so feel free to join us. Also, please remember to place donations in the Ruth’s Harvest boxes. We are collecting individual
sizes of rice with chicken and vegetables (Chef Boyardee), beef stew (Dinty Moore), soup and fruit cups.

AERO ENERGY HOUSE OF WORSHIP PROGRAM – We would like to thank those parishioners who partner with Aero Energy for their oil/propane needs. Immaculate Heart of Mary receives 3 cents per gallon on all propane and oil throughout the heating season. This is a great opportunity for parishioners to give to your Church as well as savings for yourself. NEW this year is Aero Energy is offering $50 credit for any member of our Church who becomes a NEW customer to Aero Energy. They are also giving IHM $50 as well for any new customer. There are brochures on the pamphlet rack or you may call Anita in the parish office with any questions.

PRAYER SHAWLS – Are you in need of a prayer shawl? Do you know someone who is? Please call Jan Melhorn at 308-2532. The next prayer shawl meeting will be held Tuesday, Feb. 14th at 1 PM in Room #3 of the RE Building. All knitters and crocheters are welcome. If you want to learn to knit or crochet, we can teach you. Skeins of new yarn are always welcome and there are bins at the church entrances for these donations.

CREMATION
Since 1963, Catholics have been allowed to choose cremation over burial as a means of laying a loved one to rest. Cremation is a popular choice since it is less expensive and more manageable than a full burial. Cremation, like death, is final. But that doesn’t mean you won’t have second thoughts. Susan Skiles Luke, a marketing consultant in Columbia, Missouri, had her mother cremated and buried in a family plot. Now, she wishes it was her mother’s body and not just the cremated remains that was in the grave. “When I go there, which isn’t often, I want to feel like her body is under ground, right alongside my grandparents and beloved great aunt, all dressed up in their Sunday best…”

Although creation is permitted, some Catholics have not been dealing properly with their loved ones remains. Common practices include scattering ashes, parting ashes out to friends and relatives, and keeping the ashes in a common area, such as a living room. While scattering ashes may seem romantic to some (but is also contrary to Catholic teaching), there’s something to be said about keeping your loved one in once place, and then marking that place with a name. “We mark the graves of our loved ones with a headstone to memorialize them, so we don’t forget them”. When visiting that person’s grave, just seeing his or her name can give comfort.

To instruct the faithful in this regard, the Congregation for the Doctrine of the Faith has issued updated guidelines. According to these, burial is still preferred, but cremation is an option. When a loved one has been cremated, their ashes must be kept intact, the same as one would treat a body. The ashes may not be separated or scattered. Instead, they should remain in a proper vessel that is interred in a proper place, such as a cemetery or church. Finally, the document stresses that Catholics who choose cremation for reasons contrary to the faith, (e.g., to have their ashes scattered) must be denied a Christian funeral.

In the end, whether cremation or burial is chosen, we await from the grave the second coming of Jesus Christ and the blessed Resurrection of the Dead.
