FROM THE PASTOR’S DESK

31st Sunday in Ordinary Time

1. This Sunday, November 4th during the 11:15am Mass, a short service of remembrance takes place to pray for those parishioners who died and were buried from IHM in the past year. We pray for the comfort of surviving loved ones, and ask that eternal rest be granted to these souls, and all the souls of the faithful departed.

2. Here is a voting guide to help form your conscience for voting this Tuesday, November 6th: https://www.pacatholic.org/tag/voter-guide/

3. A prayer for our troops and military veterans: “Lord God, Almighty Father, creator of mankind and author of peace, as we are ever mindful of the cost paid for the liberty we possess, we ask you to bless all the members of our armed forces. Give them courage, hope and strength. May they ever experience your firm support, gentle love and compassionate healing. Be their power and protector, leaving them from darkness into light. To you be all glory, honor and praise, now and forever. Amen.”

4. During the entire month of November there are many Catholic traditions that invite as the Church on earth to pray for our beloved dead – that is the Church being purified in purgatory. To this end, I invite you to take part in the following: 1) to write the names of deceased family and friends in the Liber Defunctorum (Book of the Deceased) located in the main vestibule of the church by the image of the Immaculate Heart of Mary. There is a sign there explaining this ancient tradition further; 2) if you haven’t already done so, to take an All Souls Intentions envelope (found at the entrances of the church) to write down the names of all your beloved dead that you would like me to pray for in a special way during Masses in the month of November. (Please return these envelopes in the collection basket at Mass, so that they are returned to the parish office). Then, I will be offering 7 Masses (the number of divine perfection) during November for all your intentions listed, which will be indicated in the bulletin as “All Souls Intentions”.

5. A couple of reminders:

   Please note that the downstairs social hall for those participating in Mass is ONLY for those who have a valid medical need, or some other urgent reason. Keeping in mind that we have a functioning elevator, it is important for all who are able, to join together in the main body of the church. I would like to keep this downstairs option open for those who may truly need it. But, if it is taken advantage of, I will be considering other options.

   Also, the Children’s Chapel (a.k.a. the Cry Room) is available during Mass in the front left-hand corner of the church when younger children need extra attention. Parents are encouraged to use this area for their benefit, as well as allowing a more prayerful environment for our entire worshipping community.

6. During the month of November, it is a traditional Catholic tradition to visit cemeteries, especially the graves of our beloved dead. Here are some prayers that you might consider offering during these visits:

   1) May God remember forever my dear ones, (Name them), who have gone to their eternal rest. May they be at one with the One Who is eternal life. May the beauty of their lives shine forevermore, and may my life always bring honor to their memory. Amen.

   2) O God, by Whose mercy the faithful departed find rest, send Your holy angel to watch over this grave, through Christ our Lord. Amen.

   3) Eternal rest grant unto (Name), O Lord, and let perpetual light shine upon him/her. May (Name) rest in peace. May (Name’s) soul and the souls of all the faithful departed, through the mercy of God, rest in peace. Amen.

   God bless you and your week – Fr. Marcoe

IMPORTANT CHANGE FOR HANOVER HOSPITAL ADMISSIONS – The Hanover Hospital – UPMC Pinnacle Health has issued the following changes to their policy effective December 2018.

1. Clergy will not be able to view denominational lists at the front desk.
2. Clergy will not be able to obtain patient information at the front desk unless they have the patient’s name.
3. If the patient indicates a congregational affiliation in the admissions interview, the Chaplain will call the congregation. If the patient indicates to the Chaplain on his or her rounds that he or she belongs to a particular congregation and gives permission the Chaplain will call the congregation.
4. In an emergency situation if the patient or family indicates a congregational affiliation to the Chaplain or other staff and gives permission to call the congregation, every effort will be made to notify the congregation.

CATHOLIC CHURCH – The second Sunday of February is the time for the celebration of a memorial Mass for our deceased. The Mass will be followed by a meeting for the Ordination to the Diaconate of our Diocese.

Catholic Burial Customs

We really want to encourage parents to use this space to tend to their children as needed. Please, feel free to just get up when need be from the body of the church, and utilize this space. Then you can better tend to your children without feeling like you’re being watched. And this will also allow the other parishioners to be able to more fully focus on worshiping.

Tips for talking to children about difficult subjects/news reports

The topic of sex abuse, particularly child sex abuse, is a daunting one for parents. Every parent must consider many factors including the best age-appropriate way to discuss the topic. Below are some points to consider adapted from the United States Conference of Catholic Bishops, the National Child Traumatic Stress Network, and First Things First.

1. Make sure you are composed before you talk with your child.
2. If you believe your child is aware of news concerning abuse in the diocese, start the conversation. Not talking about a difficult event can make the event even more threatening in your child’s mind.
3. Listen carefully to what your child is asking or talking about.
4. Clarify just what any concerns are before you answer. Sometimes we make assumptions and give far more information than what the child needs.
5. Keep your answers simple and brief. Don’t answer questions that have not been asked. Do not overload your child with information that is beyond his/her level of understanding.
6. Make sure that adults are doing everything possible to protect those who are currently suffering.

CHILDREN’S CHAPEL – For everyone’s information, especially for those who may be new to our parish, there is a so-called Children’s Chapel or Cry Room here in the Church. It’s located in the front left corner of the church, where a restroom is also located. As a parish family, we want children and families to feel welcome here at Mass, and so it’s important to have an appropriate place in the church for babies and young children when they get fussy and need extra attention. We really want to encourage parents to use this space to tend to their children as needed. Please, feel free to just get up when need be from the body of the church, and utilize this space. Then you can better tend to your children without feeling like you’re being watched. And this will also allow the other parishioners to be able to more fully focus on worshiping.

PRAYER SHAWLS – Are you in need of a prayer shawl? Do you know someone who is? Please call Jan Melhorn at 308-2532. The next prayer shawl meeting will be held Tuesday, Feb. 14th at 1 PM in Room #3 of the RE Building. All knitters and crocheters are welcome. If you want to learn to knit or crochet, we can teach you. Skeins of new yarn are always welcome and there are bins at the church entrances for these donations.

CREMATION

Since 1963, Catholics have been allowed to choose cremation over burial as a means of laying a loved one to rest. Cremation is a popular choice since it is less expensive and more manageable than a full burial. Cremation, like death, is final. But that doesn’t mean you won’t have second thoughts. Susan Skiles Luke, a marketing consultant in Columbia, Missouri, had her mother cremated and buried in a family plot. Now, she wishes it was her mother’s body and not just the cremated remains that was in the grave. “When I go there, which isn’t often, I want to feel like her body is under ground, right alongside my grandparents and beloved great aunt, all dressed up in their Sunday best...” Although creation is permitted, some Catholics have not been dealing properly with their loved ones...
7. Don’t make guarantees that such a thing can never happen again. Words like “never” and “always” should be used very carefully because small children trust that this is a promise from you.

8. Explain that we do not know why people treat other people badly.

9. Try to limit your child’s exposure to media coverage. A child believes what he or she sees on television, or in the newspapers is always true.

10. Let your children know about successful community efforts. You may want to share positive media images, such as reports of individuals helping those in need.
