FROM THE PASTOR’S DESK

3rd Sunday in Ordinary Time

1. A SOUPER BOWL OF CARING is a national effort, using the energy of the Super Bowl, to mobilize involvement to care for people in their local communities who are hungry and those in need. The Souper Bowl of Caring started in South Carolina in 1990, and it is now held from coast to coast and has been endorsed by NFL owners and former U.S. presidents. Our participation here at IHM will involve joining with other congregations of the Abbottstown-East Berlin Food Pantry to collect cans of soup and condiments to benefit our local food pantry. More information in today’s bulletin.

2. February 3rd is the feast of Saint Blaise. Catholics usually remember Saint Blaise’s feast day because of the Blessing of the Throats that took place on this day. In fact, we’ll have this blessing after Masses the weekend of Feb. 2 and 3. Two blessed candles are held slightly open, and are pressed against the throat as the blessing is prayed. Immediately after all Masses next weekend, this blessing will be offered to those who would like to receive it.

3. This week is Catholic Schools week! This year’s theme, “Learn. Serve. Lead. Succeed.”, focuses on the important spiritual, academic and societal contributions provided by a Catholic education. Children from our parish attend the following local Catholic schools: St. Rose of Lima, St. Teresa of Calcutta, St. Francis Xavier, and Delone Catholic. Here is a snapshot of Catholic education in the Diocese of Harrisburg.

Excellent Academics
95% of our Elementary students score above the national average in Language skills.
90% of our Elementary students score above the national average in Reading.
85% of our Elementary students score above the national average in Math.

Affordable Tuition
We are committed to making Catholic education an affordable option for families. Financial Aid and Scholarship programs are available to help with the cost of attending our schools.

High Graduation Rates
Over 98% of our students graduate from High School.

College Scholarships
Annually over $40 Million in scholarship funds are offered to graduates of Catholic Schools in the Diocese of Harrisburg.

We Believe:
1. Every Child is a gift from God
2. Parents are the primary educators of their children
3. Teachers are a partner with the family in the educational process
4. Every person must be treated with dignity, respect, and care
5. The school is rooted in the life of the parish

God bless you and your week – Fr. Marcoe

MEMBERSHIP SUNDAY – Next weekend we will have a second collection for the Society for the Propagation of the Faith Membership Sunday. The Holy Father supports more than 1,100 mission dioceses throughout the world. It assists with faith formation, the selection of native bishops and the formation of seminarians, religious sisters and brothers, and lay catechists. As mission dioceses struggle to take root, SPOF also provides critical education, health and social services. Your participation in the SPOF Membership Sunday by prayers and contributions helps to spread the hope-filled, saving message of Jesus to the billions of people who do not know Christ, and supports the priests, religious and lay catechists who offer them that Good News.

WREATHS ACROSS IHM'S CEMETERY – A kindhearted local woman has volunteered to place wreaths on the graves of military veterans buried in our parish cemetery each year. Because of the growing number of veterans’ graves, she has indicated that she didn’t have enough wreaths for all the graves this year. Therefore, she is asking for personal donations of exterior artificial green wreaths (40-50) – used or new – to cover all the graves next year. (She reuses them each year). Please leave the wreaths along the back wall of the church by the parking lot facing the Religious Education Center. Thank you in advance!

Don’t Get Scammed!
Scammers are now posing as priests and other clergy. In this latest scam, you might receive an email or a text message that appears to be from your Pastor or another priest that you may know. The scammer ask you to help someone in need by purchasing a gift card and to provide the codes on that card.

Here’s how to protect yourself from being scammed.
1 – Know that scammers are out there. Be suspicious of any request for funds of any type via an email message or a text message. Verify any request with a call to the person who supposedly sent it or a call to the phone number of the text that you received.
2 – Know that any email from a priest should be from a diocesan or parish email account. Messages sent from free services, such as Gmail or Yahoo, are more likely to be scammers.
3 – Many clergy do not share their cell phone numbers publicly. If you receive a text message from someone not on your phone’s contact list, be suspicious.
4 – Know that priests will NEVER ask for financial transactions via email or text messages.

GUIDED PRAYER APP – Alessandro DiSanto, a Holy Name of Jesus parishioner, has worked with a few friends to build an app aiming to help people grow in their faith lives through guided prayer and meditation sessions. The app is called Hallow and offers guided audio sessions through a variety of prayer types, including Christian Meditation, the Examen, Lectio Divina, and Spiritual Writing. To learn more, visit www.hallow.app or feel free to reach out to Alessandro at alessandro@hallow.app. The app is available on both the Apple App Store and Google Play Store.

NATIONAL MIGRATION WEEK PRAYER – Loving Father, Protect, we pray, all those forced from their homes by violence and persecution, guide them to places of shelter and safety, and grant that people migrate always by choice and not necessity. Watch over children who migrate alone, protect them from the risks they face all by themselves, help them reach their destination safely, and reunite them with those from whom they have been separated. Guide all migrants who seek a better life, to new opportunities, and grant them a new beginning. We beseech you to give each of us the strength and generosity to welcome the stranger and to open our homes to the newcomer, and in doing so to comfort those who are suffering. We ask this through our Lord Jesus Christ, your Son, who lives and reigns with you in the unity of the Holy Spirit, one God, forever and ever. Amen.

PARISH CARING COMMITTEE – Assists parishioners on an as needed basis, in times of need or stress and provides visitation, care giver relief, meals, errands, light household chores and local transportation. HANDICAP PARKING – Please note that handicap parking spaces are available for parking near the social hall entrance to the Church. If you are attending the 11:15 AM Mass, in order to avoid the traffic associated with religious education letting out, the following two options are recommended: EITHER come in the EXIT lane BEFORE 11 AM, OR come in the usual entrance way AFTER approximately 11:07 AM.

CHILDREN’S CHAPEL – For everyone’s information, especially for those who may be new to our parish, there is a so-called Children’s Chapel or Cry Room here in the Church. It’s located in the front left corner of the church, where a restroom is also located. As a parish family, we want children and families to be welcome here at Mass, and so it’s important to have an appropriate place in the church for babies and young children when they get fussy and need extra attention. We really want to encourage parents to use this space to tend to their children as needed. Please, feel free to just get up when need be from the body of the church, and utilize this space. Then you can better tend to your children without feeling like you’re being watched. And this will also allow the other parishioners to be able to more fully focus on worshiping.

CREMATION
Since 1963, Catholics have been allowed to choose cremation over burial as a means of laying a loved one to rest. Cremation is a popular choice since it is less expensive and more manageable than a full burial. Cremation, like death, is final. But that doesn’t mean you won’t have second thoughts. Susan Skiles Luke, a marketing consultant in Columbia, Missouri, had her mother cremated and buried in a family plot. Now, she wishes it was her mother’s body and not just the cremated remains that was in the grave. “When I go there, which isn’t often, I want to feel like her body is under ground, right alongside my grandparents and beloved great aunt, all dressed up in their Sunday best…”
Although creation is permitted, some Catholics have not been dealing properly with their loved ones remains. Common practices include scattering ashes, parting ashes out to friends and relatives, and keeping the ashes in a common area, such as a living room. While scattering ashes may seem romantic to some (but is also contrary to Catholic teaching), there’s something to be said about keeping your loved one in once place, and then marking that place with a name. “We mark the graves of our loved ones with a headstone to memorialize them, so we don’t forget them”. When visiting that person’s grave, just seeing his or her name can give comfort.

To instruct the faithful in this regard, the Congregation for the Doctrine of the Faith has issued updated guidelines. According to these, burial is still preferred, but cremation is an option. When a loved one has been cremated, their ashes must be kept intact, the same as one would treat a body. The ashes may not be separated or scattered. Instead, they should remain in a proper vessel that is interred in a proper place, such as a cemetery or church. Finally, the document stresses that Catholics who choose cremation for reasons contrary to the faith, (e.g., to have their ashes scattered) must be denied a Christian funeral.

In the end, whether cremation or burial is chosen, we await from the grave the second coming of Jesus Christ and the blessed Resurrection of the Dead.

**Tips for talking to children about difficult subjects/news reports**

The topic of sex abuse, particularly child sex abuse, is a daunting one for parents. Every parent must consider many factors including the best age-appropriate way to discuss the topic. Below are some points to consider adapted from the United States Conference of Catholic Bishops, the National Child Traumatic Stress Network, and First Things First.

1. Make sure you are composed before you talk with your child.
2. If you believe your child is aware of news concerning abuse in the diocese, start the conversation. Not talking about a difficult event can make the event even more threatening in your child’s mind.
3. Listen carefully to what your child is asking or talking about.
4. Clarify just what any concerns are before you answer. Sometimes we make assumptions and give far more information than what the child needs.
5. Keep your answers simple and brief. Don’t answer questions that have not been asked. Do not overload your child with information that is beyond his/her level of understanding.
6. Assure your child that you and other adults that are in charge are doing everything possible to make sure they will be safe. This will give them a sense that adults are actively taking steps to protect those who are currently suffering.
7. Don’t make guarantees that such a thing can never happen again. Words like “never” and “always” should be used very carefully because small children trust that this is a promise from you.
8. Explain that we do not know why people treat other people badly.
9. Try to limit your child’s exposure to media coverage. A child believes what he or she sees on television, or in the newspapers is always true.
10. Let your children know about successful community efforts. You may want to share positive media images, such as reports of individuals helping those in need.
