Don’t Get Scammed!
Scammers are now posing as priests and other clergy. In this latest scam, you might receive an email or a text message that appears to be from your Pastor or another priest that you may know. The scammer asks you to help someone in need by purchasing a gift card and to provide the codes on that card.

Here’s how to protect yourself from being scammed.
1 – Know that scammers are out there. Be suspicious of any request for funds of any type via an email message or a text message. Verify any request with a call to the person who supposedly sent it or a call to the phone number of the text that you received.
2 – Know that any email from a priest should be from a diocesan or parish email account. Messages sent from free services, such as Gmail or Yahoo, are more likely to be scammers.
3 – Many clergy do not share their cell phone numbers publicly. If you receive a text message from someone not on your phone’s contact list, be suspicious.
4 – Know that priests will NEVER ask for financial transactions via email or text messages.

GUIDED PRAYER APP – Alessandro DiSanto, a Holy Name of Jesus parishioner, has worked with a few friends to build an app aiming to help people grow in their faith lives through guided prayer and meditation sessions. The app is called Hallow and offers guided audio sessions through a variety of prayer types, including Christian Meditation, the Examen, Lectio Divina, and Spiritual Writing. To learn more, visit www.hallow.app or feel free to reach out to Alessandro at alessandro@hallow.app. The app is available on both the Apple App Store and Google Play Store.

IMPORTANT CHANGE FOR HANOVER HOSPITAL ADMISSIONS – The Hanover Hospital – UPMC Pinnacle Health has issued the following changes to their policy effective December 2018.

1. Clergy will not be able to view denominational lists at the front desk.
2. Clergy will not be able to obtain patient information at the front desk unless they have the patient’s name.
3. If the patient indicates a congregational affiliation in the admissions interview, the Chaplain will call the congregation. If the patient indicates to the Chaplain on his or her rounds that he or she belongs to a particular congregation and gives permission the Chaplain will call the congregation.
4. In an emergency situation if the patient or family indicates a congregational affiliation to the Chaplain or other staff and gives permission to call the congregation, every effort will be made to notify the congregation.

Because of these changes, it is very important that a family member contacts the parish when someone is admitted.

WEEKDAY MASS PARKING – Anyone attending the weekday Masses are asked to park in the lot beside and behind the Church whenever there is snow and ice. This parking area will be made ready first for anyone on the property.

IMPORTANT ANNOUNCEMENT – It has been noted that some people, who are dropped off or picked up for Mass, are doing so at the steps right along West Canal Road. Especially at night, and given the adjacent hill, it is deemed this is unsafe given the speed and flow of traffic. For accessible and safe access to the Church at all times, please use the side social hall doors. Thank you.

PRAYER SHawl MINISTRY – CAN YOU DONATE NEW YARN? During the last year, the Prayer Shawl Ministry has made over 50 items for our own parishioners, Rachel’s Vineyard retreatants, Cross Keys Village Skilled Nursing patients, Spiritrust Lutheran hospice and Hanover Hospital Maternity. We rely on your donations to help with our yarn expense. We can always use red, white and blue yarn for military veterans in hospice care. Please drop off your donations in the covered gray boxes at the entrances to the church. If you know of anyone who would benefit from a prayer shawl, please call the parish office at 717-259-0611. Thank you!

AERO ENERGY HOUSE OF WORSHIP PROGRAM – This program was established to provide Aero Energy customers an opportunity to give to our church. To participate, Aero Energy customers sign up by phone or online and Aero Energy donates 4 cents for every gallon of fuel they use to us. Please call if you are not already part of this wonderful program. It’s an easy way to benefit Immaculate Heart of Mary. Call 888-827-17136.

SUGGESTION CARDS are available on the back ledges and at the entrances of the church. If you have any suggestions on how to make our parish better, please fill one out and return it in the collection basket.
Tips for talking to children about difficult subjects/news reports

The topic of sex abuse, particularly child sex abuse, is a daunting one for parents. Every parent must consider many factors including the best age-appropriate way to discuss the topic. Below are some points to consider adapted from the United States Conference of Catholic Bishops, the National Child Traumatic Stress Network, and First Things First.

1. Make sure you are composed before you talk with your child.
2. If you believe your child is aware of news concerning abuse in the diocese, start the conversation. Not talking about a difficult event
can make the event even more threatening in your child’s mind.

3. Listen carefully to what your child is asking or talking about.

4. Clarify just what any concerns are before you answer. Sometimes we make assumptions and give far more information than what the child needs.

5. Keep your answers simple and brief. Don’t answer questions that have not been asked. Do not overload your child with information that is beyond his/her level of understanding.

6. Assure your child that you and other adults that are in charge are doing everything possible to make sure they will be safe. This will give them a sense that adults are actively taking steps to protect those who are currently suffering.

7. Don’t make guarantees that such a thing can never happen again. Words like “never” and “always” should be used very carefully because small children trust that this is a promise from you.

8. Explain that we do not know why people treat other people badly.

9. Try to limit your child’s exposure to media coverage. A child believes what he or she sees on television, or in the newspapers is always true.

10. Let your children know about successful community efforts. You may want to share positive media images, such as reports of individuals helping those in need.
