EASTER SUNDAY

Today, we ask ourselves, what does God see when he looks at me? When God looks at me He sees: a sinner, maybe a person I am embarrassed for God to see, a person who is selfish, gossips, addicted, harboring hate, a person who has physical, psychological, emotional, spiritual illness, a person broken by outside forces that have hurt me.

You know though, when He looks at each of us He also sees: a person created in the image and likeness of God, a person who was loved into this life by God, a person He forgives, a person who has been blessed with gifts and talents, a person who belongs to God and is wanted by God.

The proof that God sees the sinner and saint in us is in these days we have been celebrating. As sinners He came into this world to set us free and open the way to eternal life for us. He loved us even as sinners: Remember he said, “Father, forgive them, they know not what they do.” His death and resurrection tells us that we can live forever with Him in the kingdom.

For Jesus, the crucified one, has now been raised from the dead. He is risen. He is alive! Utter defeat has been transformed into irreversible victory. Evil has had its way with God's anointed, the Messiah. It did all it could to break down the courage and fidelity of God's anointed Savior. It exhausted its arsenal of hate, injustice, humiliation, and pain. It fought an impressive, bloody fight - but God's anointed came out victorious.

And what does that mean for us? It means everything, absolutely everything. The resurrection is the stamp that validates everything Jesus did and said: His claim to be God's Son, to have authority to forgive sin and reestablish communion between God and man.

Today we should relish Christ's victory, thanking God for it, letting it shine in our hearts. As Christians, we are on Christ's team. His victory is our victory. We bear our crosses with him, and we will rise with him. And this Good News that we are changed, we are committed to sharing with others.

Years ago when I served as the Catholic Campus Minister at Gettysburg College, I asked to meet one Sunday afternoon with the Lutheran Campus Minister to tell her that I was being given a new assignment. When we met I said to her that I was being changed. She looked at me totally perplexed and asked, "Into what"? We gather for these Easter mysteries because we are changed, different, and we celebrate a new beginning, a new life. We are changed because of the Paschal Mystery: Jesus' Passion, Death, and Resurrection. With this change, we were set free of Original Sin at our baptism. And Baptism is possible for us because of Jesus' action we call the Paschal Mystery. And so, we are set on a path, a journey to eternal union with God. We are in fact changed by virtue of our Baptism.

The Lutheran Campus Minister and I used a slightly different language causing a misunderstanding and the same can happen with spreading the Good News. We need to learn how we can best communicate the Good News of Jesus: to teenagers, to a person suffering from a life threatening disease and their family, to people who lost their jobs, to personnel who risk their lives to save the lives of others, to people of different cultures than my own, to the poor on the street, in slums and poverty ravaged countries of the world and the list goes on.

The message we preach by our lives and by what we say does not change, but the way we present the message may indeed change. The Good News is that God our Father loves us so deeply that he gave his Son Jesus to set us free from sin so that we can live forever in the loving embrace of God in eternal life.

EUCHARISTIC ADORATION
WHEN: Every First Friday of the month beginning Jan. 3, 2020
WHAT: Two Hours of Eucharistic Adoration
WHERE: Immaculate Heart of Mary Church
TIME: 7 PM – 9 PM
PRAYER SHAWL MINISTRY – CAN YOU DONATE NEW YARN? During the last year, the Prayer Shawl Ministry has made over 50 items for our own parishioners, Rachel’s Vineyard retreatants, Cross Keys Village Skilled Nursing patients, Spirittrust Lutheran hospice and Hanover Hospital Maternity. **We rely on your donations to help with our yarn expense.** Please drop off your donations in the covered gray boxes at the entrances to the church. If you know of anyone who would benefit from a prayer shawl, please call the parish office at 717-259-0611. Thank you!

END OF THE YEAR NOTICES – Most taxpayers will no longer need to itemize their deductions and will take the standard deduction amount. Therefore, since many people no longer use the end-of-year statements for tax purposes, we will only send out to those who request them. If you are interested in receiving a statement, please contact Anita in the parish office. The Diocese will no longer automatically generate year end statements, unless it is requested by the donor. You may contact the Office of Stewardship & Development at the Diocese at 717-657-4804 ext 245.

CONGRATULATIONS to the following students at Delone Catholic High School for achieving honor roll status:
FIRST HONORS: Audrey & Abigail Sell, Jacob Fleming
SECOND HONORS: Harrison Smith, Avery Kuntz & Julia O’Brien

CHILDREN’S LITURGY - As you know, our children (ages 3 through 2nd grade) have a wonderful opportunity at the 11:15 Mass when they are called forth and dismissed for "Children's Liturgy of the Word," the ability to learn about the scripture readings on their level. We are in great need of more volunteers, who have Diocesan clearances to participate in this ministry. If we have a pool of at least 6 to 8 volunteers, then everyone only has a turn every 6 weeks or so. **PLEASE consider offering your services for this wonderful ministry for our children.** If you are able to help out, please call Sister Rosanne @ (717) 259-0611, ext. 7

RUTH’S HARVEST – Ruth’s Harvest packing will be Wednesday, Oct. 23rd from 10-11 AM at the Abbottstown Fire Hall. Consider joining others in this ecumenical ministry as we bag single-serving food items for elementary school students to take to their homes. For more information, call Pat Renaut at 717-637-1110.

PARISH FLOWER BEDS – Fall is officially here and it is time to clean out the flower beds for the winter. **Anyone who “adopted” a flower bed needs to trim back and clean out their respective flower beds. Thank you for making everything look so beautiful!**

FOOD PANTRY DONATIONS – We are often asked about which items are most in need. Well, the answer would include a number of non-food items because those items are very much needed but not donated as often as food. **These items include such essentials as shampoo, soap, toothpaste, dental floss, toothbrushes, deodorant, toilet paper, tissues, paper towels, and laundry detergent. Of course, we can also use food donations; but we ask you to donate items with good expiration dates (or expired in the current year). Also, all donated items must be unopened. Any questions contact Pat Renaut at 717-637-1110 or patrenaut@hotmail.com.**

A FRIENDLY REMINDER
From the middle of September until the beginning of May, Religious Education Classes are in session! Please be extra mindful of SAFETY on Sunday mornings after the 8:15 Mass as you are leaving the parking lot (especially if you are parked on the side of or behind the Church). That is when our children are being dropped off for CCD. **Cars are moving and children are walking and most likely "aren't looking/noticing" that cars are backing up and pulling out.**

Also around 11:00 AM when children are being dismissed from the Religious Education Center and are waiting for their parents to "pull up in the car line" to pick them up. **There are 150 children in the CCD and they and their safety are our #1 priority!**

If you are in need of a “Handicap Parking” spot, please plan on coming to the 11:15 Mass by 10:55 AM. You can come in the EXIT driveway and pull right into one of the spots. Parents pick their children up beginning at 11:00 AM. Once their cars start moving, it is about safety! If you choose not to do this and you get in the "parent car line" then please be patient. Please do not try and come up along side the cars that are in line. **Most of the time all children get in their cars on the right hand side where adults are right there with them. Occasionally, the children need to get in on the left side because of infants in the car. It takes about 7 minutes to get every child in their car and on their way home safely. Thank you for your understanding!**

Don't Get Scammed!
Scammers are now posing as priests and other clergy. In this latest scam, you might receive an email or a text message that appears to be from your Pastor or another priest that you may know. The scammer asks you to help someone in need by purchasing a gift card and to provide the codes on that card.

Here's how to protect yourself from being scammed.
1. Know that scammers are out there. Be suspicious of any request for funds of any type via an email message or a text message. Verify any request with a call to the person who supposedly sent it or a call to the phone number of the text that you received.
2. Know that any email from a priest should be from a diocesan or parish email account. Messages sent from free services, such as Gmail or Yahoo, are more likely to be scammers.
3. Many clergy do not share their cell phone numbers publicly. If you receive a text message from someone not on your phone’s contact list, be suspicious.
4. Know that priests will NEVER ask for financial transactions via email or text messages.

IMPORTANT CHANGE FOR HANOVER HOSPITAL ADMISSIONS – The Hanover Hospital – UPMC
Pinnacle Health has issued the following changes to their policy effective December 2018.

1. Clergy will not be able to view denominational lists at the front desk.
2. Clergy will not be able to obtain patient information at the front desk unless they have the patient’s name.
3. If the patient indicates a congregational affiliation in the admissions interview, the Chaplain will call the congregation. If the patient indicates to the Chaplain on his or her rounds that he or she belongs to a particular congregation and gives permission the Chaplain will call the congregation.
4. In an emergency situation if the patient or family indicates a congregational affiliation to the Chaplain or other staff and gives permission to call the congregation, every effort will be made to notify the congregation.

Because of these changes, it is very important that a family member contacts the parish when someone is admitted.

IMPORTANT ANNOUNCEMENT – It has been noted that some people, who are dropped off or picked up for Mass, are doing so at the steps right along West Canal Road. Especially at night, and given the adjacent hill, it is deemed this is unsafe given the speed and flow of traffic. For accessible and safe access to the Church at all times, please use the side social hall doors. Thank you.

SUGGESTION CARDS are available on the back ledges and at the entrances of the church. If you have any suggestions on how to make our parish better, please fill one out and return it in the collection basket.

BOXTOPS FOR EDUCATION – Please keep collecting and sending in those BoxTops for Education for St. Teresa School. If you’d like to help out trimming those BoxTops, please contact kwenger@hotmail.com. All help is appreciated!

EVENT NOTICE – I have been a parishioner at Immaculate Heart of Mary Church for more than 40 years and employed in the newspaper business for more than 20 years. We have many wonderful events happening here at our parish and we’d like to get the word out to the public. Please feel free to send me any events that would be of interest to our local community – from Lenten dinners to youth events to Bible studies and everything in between! You can send information to: 6fletch@embarqmail.com. Don’t forget to tell me the following: WHAT is the event? WHO is invited? WHEN is the event? WHERE is the event? WHY should people attend? HOW can they get more information? If you have any questions, fee free to call or text me at 717-357-8051. Thank you!

HEARING IMPAIRED – Anyone who is hearing impaired may find it helpful to sit in Pew #9 on the Sacristy side. You will notice “hearing impaired” stickers on the side of the pew to indicate the best place to sit if you are hearing impaired.

CHILDREN’S CHAPEL – For everyone’s information, especially for those who may be new to our parish, there is a so-called Children’s Chapel or Cry Room here in the Church. It’s located in the front left corner of the church, where a restroom is also located. As a parish family, we want children and families to be welcome
here at Mass, and so it’s important to have an appropriate place in the church for babies and young children when they get fussy and need extra attention. We really want to encourage parents to use this space to tend to their children as needed. Please, feel free to just get up when need be from the body of the church, and utilize this space. Then you can better tend to your children without feeling like you’re being watched. And this will also allow the other parishioners to be able to more fully focus on worshiping.

CREMATION
Since 1963, Catholics have been allowed to choose cremation over burial as a means of laying a loved one to rest. Cremation is a popular choice since it is less expensive and more manageable than a full burial. Cremation, like death, is final. But that doesn’t mean you won’t have second thoughts. Susan Skiles Luke, a marketing consultant in Columbia, Missouri, had her mother cremated and buried in a family plot. Now, she wishes it was her mother’s body and not just the cremated remains that was in the grave. “When I go there, which isn’t often, I want to feel like her body is under ground, right alongside my grandparents and beloved great aunt, all dressed up in their Sunday best…”

Although creation is permitted, some Catholics have not been dealing properly with their loved ones remains. Common practices include scattering ashes, parting ashes out to friends and relatives, and keeping the ashes in a common area, such as a living room. While scattering ashes may seem romantic to some (but is also contrary to Catholic teaching), there’s something to be said about keeping your loved one in once place, and then marking that place with a name. “We mark the graves of our loved ones with a headstone to memorialize them, so we don’t forget them”. When visiting that person’s grave, just seeing his or her name can give comfort.

To instruct the faithful in this regard, the Congregation for the Doctrine of the Faith has issued updated guidelines. According to these, burial is still preferred, but cremation is an option. When a loved one has been cremated, their ashes must be kept intact, the same as one would treat a body. The ashes may not be separated or scattered. Instead, they should remain in a proper vessel that is interred in a proper place, such as a cemetery or church. Finally, the document stresses that Catholics who choose cremation for reasons contrary to the faith, (e.g., to have their ashes scattered) must be denied a Christian funeral.

In the end, whether cremation or burial is chosen, we await from the grave the second coming of Jesus Christ and the blessed Resurrection of the Dead.

Tips for talking to children about difficult subjects/news reports
The topic of sex abuse, particularly child sex abuse, is a daunting one for parents. Every parent must consider many factors including the best age-appropriate way to discuss the topic. Below are some points to consider adapted from the United States Conference of Catholic Bishops, the National Child Traumatic Stress Network, and First Things First.

1. Make sure you are composed before you talk with your child.
2. If you believe your child is aware of news concerning abuse in the diocese, start the conversation. Not talking about a difficult event can make the event even more threatening in your child’s mind.
3. Listen carefully to what your child is asking or talking about.
4. Clarify just what any concerns are before you answer. Sometimes we make assumptions and give far more information than what the child needs.
5. Keep your answers simple and brief. Don’t answer questions that have not been asked. Do not overload your child with information that is beyond his/her level of understanding.
6. Assure your child that you and other adults that are in charge are doing everything possible to make sure they will be safe. This will give them a sense that adults are actively taking steps to protect those who are currently suffering.
7. Don’t make guarantees that such a thing can never happen again. Words like “never” and “always” should be used very carefully because small children trust that this is a promise from you.
8. Explain that we do not know why people treat other people badly.
9. Try to limit your child’s exposure to media coverage. A child believes what he or she sees on television, or in the newspapers is always true.
10. Let your children know about successful community efforts. You may want to share positive media images, such as reports of individuals helping those in need.
