

Several parishioners have called requesting how to support the parish during this time with no Masses.

There are three options at this time:

1. Any weekly/special collection envelopes you wish to submit can be sent through the mail to Immaculate Heart of Mary Church, [6084 W. Canal Rd., Abbottstown, PA 17301](#). Any contributions received will be credited to your contributions and handled as they normally would through the weekly offerings.
2. Anyone who does the “auto pay” method with their Bank may continue to do this. Anyone who is not doing this and would rather do an “auto-pay” type of thing can set this up with their bank, who will automatically deduct the designated amount from your account and mail a check to the parish. Make sure you give them your envelope number to reference on their check, along with your name.
3. On a temporarily basis, the Diocese has established electronic giving that each parish can take advantage of. Attached is a flyer giving instructions on how to do this. You can use either a Visa or Mastercard. Three easy steps –
 - a) Visit the website as outlined
 - b) Complete the form with your name, envelope #, amount, **making sure to click on the correct parish name in the drop down menu. Cursor down until you see Immaculate Heart of Mary, Abbottstown and click on that.**
 - c) Review your information and then submit form to complete your donation. Once submitted, you will receive an email confirming your donation.
 - d) The Diocese will automatically credit your donation to our parish.

We thank everyone for your patience, prayers and understanding during this time. May we all continue to pray for God’s blessings on all.

Anita Smith
